About the Borough of Sefton

Sefton is a confident and well-connected Borough, stretching from Bootle in the south to the coastal resort of Southport in the north. Home to more than 275,000 residents, Sefton encompasses a range of vibrant towns and communities, including Bootle, Litherland, Seaforth, Crosby, Formby, Maghull and Southport.

It is a fantastic place to live and work. As the northern-most Borough within the Liverpool City Region, Sefton offers a unique blend of beautiful coastline, countryside, attractive villages, thriving industrial areas and the busy Port of Liverpool.

With 22 miles of stunning coastline, Sefton is a leading coastal destination with a growing visitor economy. It is home to the iconic Antony Gormley *Another Place* installation, expansive beaches and protected sand dunes that support several rare species.

While each town and village has its own distinctive character, it is the people of Sefton who make the Borough truly special, creating diverse, welcoming and energetic communities in which to live, work, invest and visit.

Alongside its miles of golden sands, Sefton offers those who work here access to a world-renowned racecourse, prestigious golf courses, and National Trust nature reserves, ideal places to unwind, explore and enjoy leisure time.

The Borough benefits from excellent transport links, providing easy access to major North West cities including Liverpool and Manchester, and placing the Lake District and North Wales within reach for weekend breaks.

Whether you prefer vibrant town centres, friendly commuter towns, picturesque villages or stunning rural and coastal locations, Sefton offers a place to suit everyone. With house prices and rents typically lower than in neighbouring Liverpool and Manchester, you can enjoy coastal living while still being close to the buzz of city life.
